MY STORY

Studied architecture, spent 9 years experimenting with all things design. Urban, landscape, interiors, commercial, residential, you name it!

Found my ikigai in building products and experiences. Working across gaming, edtech and finance has reinforced one idea: design fails when it forgets who it serves.

CURRENT WORKFLOW

- Task prioritisation - **JIRA + Azure**
- Requirements (PRD) - **Confluence**
- Build usable design input - **Claude**

football · travel · design · fitness · photography · food · treks & hikes · dogs · wildlife · technology · music · video games · stand-up comedy

WORK EXPERIENCE

~ 9 YEARS

Kotak811, Bangalore

JAN '26 – PRESENT

Associate VP - Product Design

- Led design for the FinTech's high-revenue SKUs: **Credit Cards, Rewards, Loans, Forex, Insurance** and **Chatbot**.
- Revamped the Credit Card homepage, frequented by **3.6M+ live users** to increase engagement, retention and conversions.
- Designed the **Rewards and Milestone** experience, impressed the leadership that took it live in the Kotak Mahindra app.
- The improved UX of **Personal** and **Gold Loan** saw a growth in engagement by **836%**.
- Dedicated as the **scrum master** for a **30+ member design team** to assist with bandwidth and resource allocation.

Tata Class Edge, Mumbai

APR '21 – NOV '25

UX Specialist

- Led UX for AI-powered EdTech offerings - EarlyEdge, CE Crystal and CE Platinum; SaaS adopted by **5K+ schools, 74K+ classrooms, 200K teachers** and **2M+ students.**
- Closely worked with the leadership to understand the business lens with user focus. Conducted **50+ interviews** with real users to get early feedback.
- Mentored 5 designers, helped them develop professionally and contribute meaningfully. Awarded the **'Star of the Quarter'** for leadership and process optimisation.
- Built a complete **responsive Design System** following WCAG guidelines for accessibility. Helped increase the design team's **efficiency by 300%**.

Assistant Manager

UX Designer

Rucept, Los Angeles

OCT '20 – APR '21

Product Designer

- Pitched gaming studios (Indie to AAA) to setup their in-app **merchandising stores** and **dashboards**. The start-up raised a successful funding round in early 2022.

Metaphors, Pune

OCT '17 – DEC '19

Architect

EDUCATION

5 YEARS

Manipal University, Udupi

JUL '12 – AUG '17

Bachelor of Architecture (B.Arch)
